

Remarks/Arguments

Applicants acknowledge with thanks the indicated allowance of claims 10-13.

By this Amendment, claim 14 has been amended to depend from allowed claim 10 (thus correcting a typographical error). Noting that claims 14-18 dependent either directly or indirectly from allowed claim 10, it is believed that all of claims 10-13 are now in condition for allowance.

No other issues remaining, early allowance of the present application is respectfully requested.

Respectfully submitted,

Volentine Francos & Whitt, PLLC
